

BID 4 BETTER DINNER + AUCTION

Come along and help to change young lives at the Bid 4 Better Dinner and Auction, October 22 at The Edge, State Library QLD, South Bank.

Money raised on the night will be used to provide one off assistance that can help keep young people off the street. Often, it's simple everyday expenses like a week's rent, groceries, or clothing for a job interview that can make a big difference in helping vulnerable young people establish stable, independent lives.

So come along and make your bid for a better future.

Cash Bar available

PUT YOUR HAND UP FOR...

Chris
Chris couldn't find a job but has always been interested in sound engineering. We found him work experience at a local radio station and now he's working there part time.

Damian
Damian finally got into an apartment and had been managing his rent, but found he had no money left for food so we helped him out with a bag of groceries to get him through the week.

With your help, our partner charities can continue to help more young people like Chris and Damian.

Up for Auction
A 2015 State of Origin Game 3 Jersey signed by all the members of the winning team, thanks to Queensland Rugby League, is just one of many exciting items up for auction on the night.

- How to get involved**
- › Book a table for your clients or colleagues and let the bidding begin
 - › Donate something fabulous to be auctioned on the night
